

## PAST MONARCHS' NIGHT

ALL  
ABOARD  
FOR

FUN  
AND  
FELLOWSHIP!!

With our observance of Mer-I-Mak's Sixth Anniversary, what could be more fitting than to have a night of Fellowship in honor of our Past Monarchs? Chartered on June 23, 1949, Mer-I-Mak has been ably led by:

Ed Simpson ... 1949-50-51	Bill Wallace ... 1951-52
Ed Morrison .. 1952-53	Al Armstrong ... 1953-54
George McEnnis ..1954-55	

The word "past" does not mean "inactive" however. Evidence of this is exemplified by two friends of Mer-I-Mak visiting us tonight. Past Grand Deputy Monarch Oscar Worme, and Bill Williams, Past Monarch of Alothia Grotto, set an example for all of us through their activity. Our guest speaker this evening is Mr. Arthur Hallenborg, Billerica selectman since 1932, and State Fire Warden for 14 years. Mer-I-Mak Grotto welcomes you, sir!

### THE GROTTO TRAIN

To a railroad crew, a "high green" means they're on the right track with a clear run ahead. The fact that you are a Prophet of Mer-I-Mak Grotto shows that you, also, are on the right track to fun and fellowship! And since there is nothing to deter you from going forward, your signals are all "high green". Just be careful not to get "sidetracked" into being nothing but a "deadhead". (A deadhead is a man riding on a pass, contributing nothing to the success of the trip.

Now there are very few passes issued by Mer-I-Mak Grotto; and those are in recognition of interest displayed and work done for Mer-I-Mak. The fare for a fun-filled ride on the Grotto train follows.

1. Pay your annual dues ON TIME, if not earlier. (Prophet Sec'y Percy has a box-car load of unpaid due-cards right now!)
2. Give some thought this summer to possible activities and undertakings that would interest the Prophets and benefit Mer-I-Mak. Then present your ideas at the next meeting.
3. Line up a candidate NOW. Each Prophet should bring in AT LEAST one EACH YEAR. How long since you've sponsored a brother?
4. Be a goodfellow at all times. Wear your fez with pride, and bring pride to your Fez!

Prophet M.C. "Norman"
